Memorial registered No.980/3849 dated 16th February 1907 addressed to His Highness the Maharaja by Nagarthara Kempu Nanjappa of Bangalore City, praying that his properties may be taken charge of by Government and administered for certain Charitable purposes stipulated by him.

Letter No.94 dated 9th December 1907 from the Government - Advocate in Mysore, Bangalore.

Correspondence ending with letter No.130 dated 12th May 1908, from the Deputy Commissioner, Bangalore District.

Order thereon:- No.5416-8. Dated Bangalore, 2nd June 1908.

One Nagarthara Kempu Nanjappa of Bangalore City Memorialised His Highness the Maharaja stating that he owned as his self - acquired property, two houses in Nagarthapete, Bangalore City,- estimated at Rs.1,500/- and Rs.1,000/- respectively, a chatram built of stone or mortar within the premises of the Sri Nageswara Swami Temple estimated at Rs.4,000/- a stable in Sunnakalpete, costing Rs.100/- and also land S.No.26 of Chiktogur village of the Bangalore Taluk, measuring 22 acres 25 guntas with Causarina trees standing thereon all valued at Rs.1,000/-. He further stated that he was about 68 years of age and had no heirs to - succeed to his property, and prayed that after his demise all the above mentioned properties belonging to him might be taken charge of by Government and with the exception of the Chatram the rest of them might be sold and the interest accruing on the sale proceeds utilised for conducting Aridrothsawa of Sri Nagareswaraswami in

in Nagarthapete and also Santharpane and distribution of panaka etc, on that day. He further stated that debts to the extent of Rs.2,000/-, were due to him and that he had been himself collecting them and prayed that any debts remaining due after his death might be collected by Government and utilised for the Charitable purpose which the memorialist had in view. He added that he would deposit a sum of Rs.100/- for his funeral expenses and prayed that the Police Constables on duty in Nagarthpete might be ordered to watch him so that there might be no delay in taking charge of his property as soon as his death took place.

2. The Deputy Commissioner of the Bangalore District, to whom the above memorial had been referred investigated into the matter and reported in November 1907 that the properties which were valued by the Memorialist as Rs.10,195-14-2 as per inventory prepared and submitted by him, were his self-acquired properties that they were not encumbered in any ~~names~~ manner, that the only relations of the Memorialist were his cousin (father's brother's son) and one Puttamma (petitioner's sister-in-law) and that these had deposed that they had no claim upon the properties of the memorialist. The Deputy Commissioner however estimated the properties, moveable and immoveable in question at Rs.8,700/- and the debts at Rs.1,144/- and recommended that they might be taken charge of by Government in accordance with the wishes of the memorialist.

3. In December 1907, however one S. M. Nanjundappa of Bangalore petitioned the Deputy Commissioner complaining that the Chatram site and building which the memorialist desired to hand over to Government did not wholly belong to the memorialist and praying therefore that they might not be taken under Government management. Thereupon the memorialist and the said Nanjundappa having been summoned to appear before the Government in person, the latter deposed that the Sree Nagareswara Swami Temple was not a Muzrai Institution but was one under the management of the -

the Nagarathara Community, that therefore the Chatram built by the memorialist in the compound of that temple belonged to that community, and that Government should not interfere in the management of the temple or chatram. He however stated that there was no objection to any kind of charity being conducted in the chatram building, but anything that would be done therein should meet with the approval of the community and that if the memorialist was not willing to abide by these conditions, he was at liberty to receive the cost of the superstructure of the chatram. In a subsequent deposition of the 21st December 1907, Nanjundappa stated before Government that the memorialist might conduct Arıdrotsava in the Sree Nagareswara temple if the Nagarathara community were agreeable thereto, and if not agreeable the utsavam might be conducted in the Sree Prasanna Gangadhareswara Swami temple in Nagarathapete, Panaka panyara and feeding being done in the chatram. He stated that his only contention was that the chatram built by the memorialist was a Charitable Institution belonging to his community and that the Government should not interfere in its management. If, however the community did not effect the needful repairs to this Chatram building he stated that the Government might do the work out of the funds placed at their disposal by the memorialist. The memorialist on his part deposed expressing his willingness to abide by the conditions imposed by Nanjundappa. He has also executed a duly registered will bequeathing all his properties valued at Rs. 10,310-2-3 as per schedule annexed thereto, and requesting that they may be sold after his death and the interest accruing thereon - utilised for the performance of Arıdrotsava to Sri Nagareswara or of the celebration of Car festival of Sri Adinarayanaswami in Nagarathapete on the Rathasapthami day and also for the conduct of Santharpane to Brahmins and of Panakapanyara to the members of his Community.

4. Under the foregoing circumstances the Government are pleased to accept the offer made by Kempananjappa to make over all his properties to Government for carrying out the Charitable purposes stipulated by him. The Deputy Commissioner is requested to issue needful instructions to the local authorities to safeguard the properties in question and take charge of them on the demise of Kempananjappa and administer them in accordance with his wished as expressed in his will.
